

Impetuous

(actual size when printed on A4 paper)

Print this PDF to check how the frame measurements compare to your existing glasses.

To compare your current glasses against these style simply place them onto the image below, you can check the scale using our ruler.

Two-toned Impetuous' colour-contrast plastic tips make for a sophisticated, designer-like finish to a pair of full-rimmed small rectangular metal glasses. A double-bar bridge, soft adjustable nose pads and flex arms offer extra reinforcement and comfort. Colour-contrast plastic tips. Choice of three classic colours.
