

Judge

(actual size when printed on A4 paper)

Print this PDF to check how the frame measurements compare to your existing glasses.

To compare your current glasses against these style simply place them onto the image below, you can check the scale using our ruler.

Judge are a classic full-rimmed single-bar pair of square metal glasses. The flex arms with plastic-coated tips, and non-slip soft adjustable nose pads make for a resilient and comfortable set of spectacles - ideal if you're the practical sort. A particularly good frame for bifocals.
