

Luke

(actual size when printed on A4 paper)

Print this PDF to check how the frame measurements compare to your existing glasses.

To compare your current glasses against these style simply place them onto the image below, you can check the scale using our ruler.

Luke's full metal rim would suit individuals looking for an understated pair of modern rectangular glasses. Soft adjustable nose pads make for a comfortable fit. If you like them, you might also like Jester and petite Paris in the same range.
