

Prague

(actual size when printed on A4 paper)

Print this PDF to check how the frame measurements compare to your existing glasses.

To compare your current glasses against these style simply place them onto the image below, you can check the scale using our ruler.

Colourful plastic Prague are a beautiful full-rimmed oval shape. Swirl detailing on the sides and arms evoke a Sixties chic. They have quite a wide bridge for ladies' plastic glasses. Available in three bold colours.
